

Capacity Building Activities Report

EAR Team

June 28, 2015

A quick summary of the capacity development activities:

A quick summary of the available code/algorithms:

Table 1: Overview

Algorithm Title	Language	Department	Team
Ensemble Imputation	R	ESS	Team X
Time Series Validation	R	ESS	Team X
Process Trade Data	R	ESS	Team Y
Statistical Working System	R	ESS	Team Y
Household Survey Analysis	SAS	EAR	Team Y

Here's a summary of the capacity development activities by country:

Here's a summary of the programming languages used by team:

Table 2: Summary by Language

	Team X	Team Y
R	2	2
SAS	0	1
