Capacity Building Activities Report

EAR Team

June 28, 2015

A quick summary of the capacity development activities:

Table 1: Capacity Development Overview
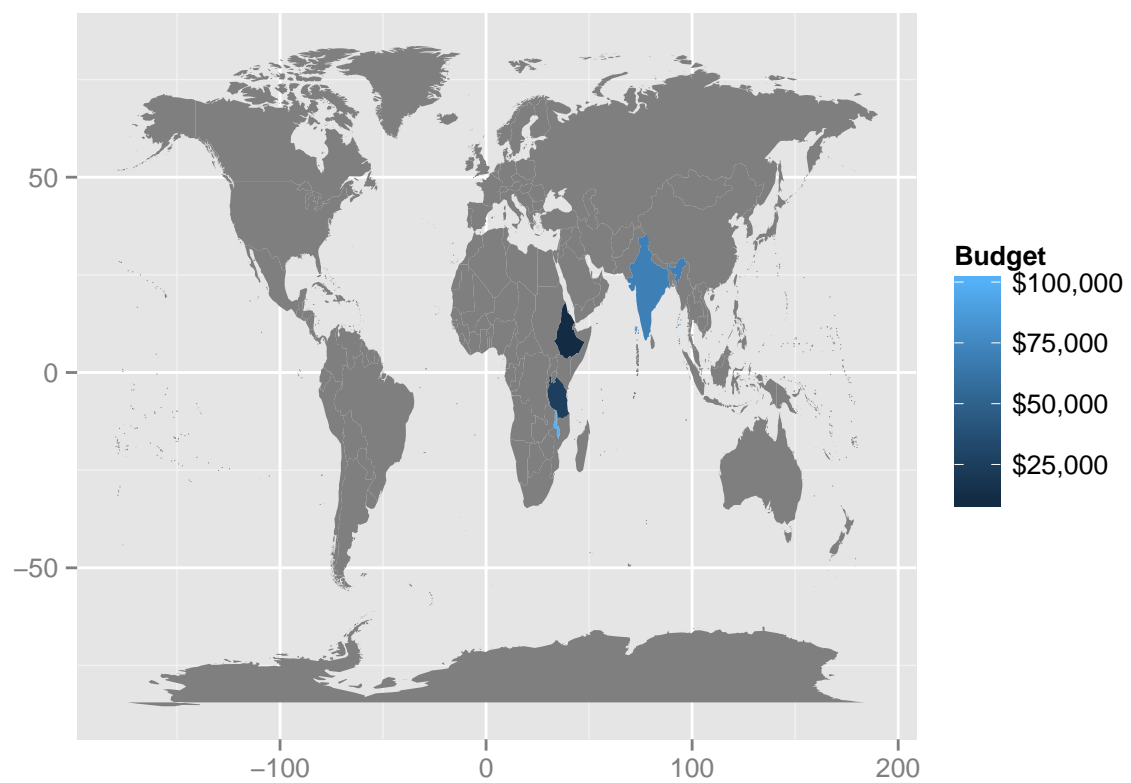

| Project	Country	Status	Team
CAPI training exercise	India	Active	Team X
Strategic Plan for Agricultural Statistics development	Malawi	delayed	Team X
Analysing Households survey data	Tanzania	finished	Team Y
Computing food security indicators	India	active	Team Y
Gender disaggrated food security statistics	Ethiopia	active	Team Y

Here's a summary of the capacity development activities by country:

Table 2: Capacity Development by Country

Country	Budget	Activities
Ethiopia	10000	1
India	70000	2
Malawi	100021	1
Tanzania	25000	1

```
## Warning: joining factor and character vector, coercing into character
## vector
```

A quick summary of the available code/algorithms:

Table 3: Capacity Development Overview

Algorithm_Title	Language	Department	Team
Ensemble Imputation	R	ESS	Team X
Time Series Validation	R	ESS	Team X
Process Trade Data	R	ESS	Team Y
Statistical Working System	R	ESS	Team Y
Household Survey Analysis	SAS	EAR	Team Y

Here's a summary of the programming languages used by team:

Table 4: Summary by Language

	Team X	Team Y
R	2	2
SAS	0	1
